Chin, Lucita has shared a OneDrive for Business file with you. To view it, click the link below.

 Excerpts from Part 192 Preamble.docx

Here is what I put together for Greg. Let me know if you have any comments. I didn't circle back with OGC, as we already had a lot of back and forth on these preambles this morning. I think the list of 4 excerpts in the doc should be pretty clear for Greg.

Thanks, Lucita

I think(?) we got where we needed to be. I didn't ask the question about who would be attending from OW/OGC on the call with NRC as it seemed pretty clear to me that Dave and David see this as a regional discussion. I also took that Greg needs to inform the Administrator, not brief the Administrator.

Lucita – hopefully you can work with Sue or OIRA on getting the document that Greg can provide to clarify EPA's statements/positions on the UMTRCA.

Thanks!
D
